200 COMMERCE STREET, FORTLAND, Mc., Eap J. 1970.

PROFESSOR SCOTT AND ASSOCIATES:—The UNIVERSITY MEDICINES are rapidly revolutionizing the practice
of medicine in Maine. I have over 500 patients.

* Here, in Portland, I have taken away two-thirds of
the doctors' patients. I have nearly 200 agents, and
am establishing ten agencies a day. I shall sell
\$700,000 worth of UNIVERSITY MEDICINES in Maine this
year. I am worn out with hard work.

I will pay \$1,000 if one of them can be found that is not gentune. Mrs. Morrison's ovarian tunor is nearly well.

* It has strunk from the size of a bucket down to the
shape of a flat iron. See She now rides out, and is
about the house daily.

P. STAPLES, State of Maine Agent.

MOBILE, Ala, May 2, 1870.

GENTLEMEN—Send us a full line of your goods by steamer as soon as possible, as we intend to make the sale of the UNIVERSITY MEDICIARES a specialty, having more considence in their curative properties than any medicines we have ever sold. In fact, we have the most unbounded belief in them and always recommend them to our customers in preference to all others we have ever known or sold. We have recently made some astonishing cures in Mobile of scrotials, catarrh, kidney diseases, &c., with your Cancer Plant, Lithia, Specific, &c.

My DEAR DOCTOR—Your Medicines seem to act favorably on the nerves as well as the blood.

I am much improved.

I have every fatth in your medicine and skill.

I believe that you will do it.

You have done a great work and that you will do it.

You have done a great deal for me.

You understand your business.

You are the second physician whom I have confidence in.

I would not trust the blockheads down here to give physic to my horse.

To Professor Scott-Enclosed please find sketch of the case of William Carson, of this place, age! 48; disease, indicated scrottous ulcer of the right leg, painful and gaugerous, of 25 years standing. It had exhausted all the skill of numerous physicians during that time.

This terrible picture was his condition on the 1st of February, 1870. use of the Cancer Plant Extract, Healing Blood Ointment and May-Apple Pills he is now entirely cured.

This case has attracted remark and amazement. He being a poor man, and one turned out to die, the medicines furnished at cost—\$15.

Besides, your Five Minute Pain Curer and Neuralgo-Rheumatic Elizir have straightened his neck, drawn to an Rheumatic Elisir have straightened in uses, during the angle of 56 degrees.

I took him in hand, while all the doctors laughed at me, and considered it a good joke to attempt to cure this poor man; but, thank God, I have cured all his maladles, restored his strength, and made him a well person with the UNIVER-SITY MEDICINES.

I think, dear Doctor, that God has inspired you to bring forth remedies for the cure of His ashicted children that nothing in the shape of medicines has yet approached.
